

CLASS: Hazel ( Year 1 )

TOPIC UMBRELLA

TERM: Trinity

This term our topic is 'Pirates'. If your child would like to bring in a book based around pirates, the sea or ships then that would be lovely for them to have during ERIC time. On the 13<sup>th</sup> June, we are going on a school trip to Bristol. During our trip we will be boarding the Matthew of Bristol and be taken on a cruise around the Harbour. Then we will venture to M Shed, a museum, where we will learn more about ships and sailors. Nearer to the end of term, I will be holding a final parent open day. There will be two time slots for you to sign up to, one in the morning and the other in the afternoon. Not only will there be opportunity for your child to share their work with you but there will also be a PowerPoint presentation including photographs from the whole academic year.

### SCIENCE

- Animals – sorting animals in different ways using Scientific words.
- The human body – *Can you name the basic parts of the human body? Which part of the body is associated with each sense?*
- Plants – *Can you identify and name a variety of common wild and garden plants? What do plants need to survive? Can you tell me the basic structure of a plant?*

### COMPUTING:

- We will be using the iPads and laptops to code using different programmes based around the sea and pirates.
