

## **Personal, social and emotional development:**

Our Christian value this term: SERVICE

Continue to notice and discuss our **Growth Mindset** characteristics- Aspiration, Resilience, Bravery, Independence, Collaboration and Curiosity

## **Physical development:**

PE with Atlas Sports every Tuesday

Bikes and scooters out every afternoon

## **Communication and language:**

New vocabulary inspired by our topic story

Broadening our choice of talk partner and learning to talk to a wider range of children in the class

Giving our opinions and learning that others may not share our views

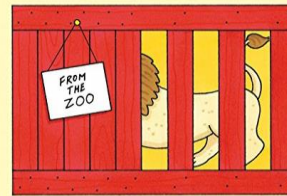

## **Maths:**

What's the time? Reading the clock throughout the day

Adding and taking away using amounts less than 20 using various items: Numicon, stones, pegs etc

What is double? How do we find half of an amount?

## Dear Zoo

Rod Campbell

## Whitsun

## Term

## 2017

## Rowan class

## **Expressive Art and Design:**

Independent art and craft activities initiated by the children

Acting out our invented (scribed or written) stories daily in our story circle

## **Literacy:**

Daily phonics learning as a Whole Class and in groups- recalling our sounds, reading words and working in Guided Reading groups.

What is a sentence? Daily Guided Sentence writing

Fridays: handwriting and letter formation, starting to be aware of capital letter and how to use them

Learning to tell the story of Dear Zoo. Adapting the story to tell (and write) our own version.

## **Understanding the World:**

Why have our beans grown? Observing and measuring the growth of our beans

Discussing the weather changes and seasonal differences as spring becomes summer

Why do some animals live in the zoo? Is a puppy the best pet?
