

CLASS: Hazel (Year 1)

TOPIC UMBRELLA

Welcome back! This term we will be linking most of the subjects to our main topic 'People Who Help Us' as illustrated below. If you are a doctor/nurse/firefighter or member of the police, we would love a visit from you! We will be asking the children what they would like to learn about this topic, as well as teaching from the KSI curriculum. This term we are continuing with spontaneous ERIC time- Everybody Reading In Class and for this your child will need a book they enjoy brought into school (or they can choose from the book corner). We will continue with Year 6 Reading Buddies coming in to hear us read twice a week. Home reading books will be collected in every Wednesday for changing. PE will continue on a Tuesday and Friday.

SCIENCE

- What are the parts of the human body?
 - identifying, naming & drawing parts of the body
 - knowing what our senses are and identifying the parts of the body responsible for each sense.
- Can we use our senses to observe and perform simple tests?
- How do we gather and record data from our tests?
