

CLASS: Y6 TERM: Whitsun 2018

Our topic for this term is 'Vikings' and you can see how the different subjects link together under a common history topic. Children will be given the opportunity to research and pursue areas of personal interest within the topic and will be encouraged to bring in any books, artefacts or other resources that could be used or displayed. PE will remain on a Monday (most weeks) and 'MyMaths' homework will continue to be set on a Friday.
